November 30, 2015 - PRESSADVANTAGE -

Metrocity Limo Service Fort Worth is proud to announce that they have updated their website so that people can now book their limousine online. The service, which can be accessed through [www.limo101.com](http://www.limo101.com), is applicable for their executive, prom and wedding limo service and is available across the company's three locations in Fort Worth, Houston and San Antonio. In offering the online booking service, the company has provided the advantage of people no longer being required to speak directly to a company representative during business hours.

"We had a number of customers saying to us that it can be quite difficult to speak to companies like our own because they are tied up at work themselves," says Paula Kornegay from Metrocity Limo Service Fort Worth. "We realized that this is indeed the case and have therefore added our new online limousine booking service to our website. This way, customers can request their limo at a time that is convenient to them, and we will make sure it gets done."

Metrocity Limousine is a limousine service gaining in popularity, not in the least because of the multitude of vehicles that they offer. These include the Hummer, the Lincoln, the party bus, the luxury sedan, the stretch

limo and the SUV. Targeting all people who may require a limousine, they have ensured that they have a vehicle available for each of these individuals.

Their party bus is proving to be particularly popular as of late. "I booked the party bus for my best friend's bachelorette party," says Emily Watkins. "We had the best time ever. I had booked a couple of places to stop for us to have a boogie and something to eat, but we would have been just as happy spending our entire night in the party bus. I can't wait for the next time I have a reason to hire a limo."

Metrocity Limo Service prides itself on its excellent service. They are known for their reliability, affordable price and commitment to the comfort of their clients. They encourage anyone to use their new online booking form to receive a free, no obligation quotation.
