Denise says in a review, ?The McHenry Roofing team is awesome. I recently had a roof inspection done and repairs completed on several shingles that were damaged. Being a first-time homeowner, I didn?t know what to expect. Beth and Jose were very professional and thoroughly explained the details of the project. It only took a couple of days for the project to be completed by Jose and Omar.?

Another customer, Addie, says about the roofing company, ?We had a wonderful experience with Jeff and McHenry Roofing. We had them first inspect our roof, and we were so impressed by the comprehensive report and quote that it was a no-brainer to use them. We continued to be impressed along the way as they were very communicative about start time, progress along the way and the final product! We are out-of-town owners, so excellent communication is a must. And on top of that, the work was great too!?
