January 02, 2023

BALTIMORE, MD - January 02, 2023 - PRESSADVANTAGE -

McHenry Roofing, a Baltimore, MD based roofing company, was recently featured on Home Inspection Insider. They were featured in an article titled "21 Eye-Catching Gray Exterior House Colors for 2023," and in the article they are described as a "next-generation roofing and exterior painting company."

The company is happy to have been featured in an article by Home Inspection Insider and to be considered one of the most prominent names in the field. They view it as evidence that their commitment to producing excellent work is being recognized in the home remodeling industry, and the McHenry Roofing team hopes to be featured in more such publications in the future.

McHenry Roofing is a full service roofing company based in Baltimore. Widely considered Baltimore's leading roofing contractor, McHenry Roofing services both residential and commercial buildings. Their work covers everything from small roof repairs to major roof replacements, among many other services, such as waterproofing, gutters and more. The company takes great pride in being Baltimore's go-to roofing company. Their services are considered ideal for anyone looking for quality roofing services at an affordable rate. Their roofing experts have assisted dozens of customers with countless roof-related projects, and they are there to ensure that everyone in and around Baltimore has a quality roof over their head.

Not all roofs are made equal, and the roofing contractors that install them are no exception, the company says. McHenry Roofing is a member of several roofing, company and trade organizations. We are fully licensed, insured, and bonded for your protection. Our customer reviews speak for themselves, with thousands of satisfied customers in the Baltimore metropolitan area. Our roofing job isn't finished until the customer is happy. As one of Baltimore's top-performing, most trusted and experienced roofing companies, we want you to know that we are dedicated to providing the quality service you deserve along with the kind of roofing craftsmanship you can depend on. What stands us apart from the competition is that our customers have been our greatest advocates, recommending us to family, friends, and friends of friends. Whether you are a first time customer or an old time friend, we work to provide quality roofing services that are beyond expectations.

McHenry Roofing has served thousands of customers in the years that the team has been active. They take great pride in their customer satisfaction rate, and the company is known to do anything to ensure that customers are satisfied. In addition to serving Baltimore, the company provides roofing services in Pigtown, Locust Point, Fells Point, Hampden, and a number of other nearby areas. A number of customers from these areas (as well as Baltimore) have left excellent reviews of McHenry Roofing on several platforms.

Stephanie D. says about their experience with McHenry Roofing, I recently had my roof replaced by McHenry Roofing. I have had problems with the roof for years and tried many companies come out to patch the leaks. Eventually, I said enough was enough and gave a few companies calls for quotes. McHenry Roofing had the best warranty and a fair price. Their customer service and work were excellent. I will recommend them to any Baltimore homeowner who needs a flat roof replaced.

Another customer, Jessica V. from Canton, says about the roofing company, McHenry Roofing was professional from start to finish. Recently had a roof replacement completed on our Baltimore City rowhouse. The contractor was honest and upfront about every aspect of the job. The roofers were pleasant, communicative and trustworthy, making them an excellent team to entrust with such a vital task as our roof. We are very happy with our new roof and would call McHenry Roofing for any future projects and friend / family referrals.
