

Rainbow Notary and Nuptials Explains Why People Use Mobile Notaries

December 26, 2022

December 26, 2022 -
Jacksonville, FL - Rainbow Notary and Nuptials guarantees uninterrupted access to its Mobile Notary services.

The Jacksonville, Florida-based company says mobile notaries give superior service compared to conventional notary services. No longer must clients take time away from work to locate a dependable notary service. Instead, mobile notaries may travel to the client's location to perform the notarization. They can go to the client's residence, hospital, nursing home, coffee shop, or event venue. Because of convenience, people can spend more time on significant business or personal chores.

As mobile notaries with certification, they also give the same level of service and have the same credentials and training. In addition, they have a track record of offering excellent customer service and expertise, guaranteeing that all essential documents are signed without the risk of fraud.

"We provide licensed and seasoned notaries who can accommodate your chosen timetable at competitive rates," says Rainbow Notary and Nuptials.

Using technology to its advantage, Rainbow Notary and Nuptials also offers remote online notarization. They notarize documents using a secure program regardless of the client's location. Customers and organizations can expedite important transactions as a result of this innovation.

Rainbow Notary and Nuptials enables customers to sign and email documents from anywhere in the world using a smartphone, tablet, or computer. They use a Remote Online Notary platform with KBA, or Knowledge-Based Authentication, which verifies the signer's identity through a scan of their license or passport. They have notarized real estate closings, banking transactions, and brokerage revisions as the Top Notary Services in Jacksonville.

Since establishing its remote internet notarization service in 2020, the Florida-based business has served several clients. Rainbow Notary and Nuptials has licensed notaries serving the Jacksonville area. In addition to Jacksonville, mobile notary and remote notarization services are provided in Daytona and Treasure Coast, North Central Florida, Central Florida, Capitol City, Miami, St. Petersburg, Sarasota, and Tampa.

In addition, they prioritize the demands of their customers and offer customized service. The company also provides wedding officiant services. They also open the Rainbow Wedding Chapel to the public. Interested parties can visit https://rainbownotaryandnuptials.com/ to learn more about their services. They are accessible 24 hours a day, seven days a week.
