January 09, 2023 - PRESSADVANTAGE -

Ridgefield, Connecticut - Mighty Dog Roofing is excited to announce the introduction of drone roof inspections to their services. These inspections provide a quick and efficient way to assess the condition of a roof without the need for an on-site visit.

"We are always looking for ways to improve the services we offer to our customers," said the owner of Mighty Dog Roofing. "Drone roof inspections allow us to provide a detailed report of a roof's condition within a matter of hours. This saves homeowners time and money by allowing them to make informed decisions about any necessary roof repairs or roof replacement."

Butler went on to say, "At Mighty Dog Roofing, we are committed to providing top-quality services to the Ridgefield community. As a leader in hail damage restoration, we make educating homeowners about the insurance claim process a top priority. With an average 4.8 stars for Google reviews, we are proud to be one of Ridgefield's best roofers."

Mighty Dog Roofing has been serving the Ridgefield community for over 5 years and is dedicated to providing

roof replacement services to their customers. Specializing in hail damage restoration, they offer honest service when homeowners need it most.
