Dayna?s Party Rentals & Catering has received dozens of 5-star reviews for its services. One of the latest reviews says, ?I cannot speak highly enough of this company. I was so impressed by the customer service we received. I called numerous places to inquire about a tent, heater, tables, etc. for a party in my house. Dayna's was the one that was the easy choice because they were kind, knowledgeable, and assured me on the phone that this was going to be a smooth and stress-free process on my part. Phil came to our home and set everything up a few days in advance and took the time to explain everything. Everything went smoothly the night of our event, and we received compliments on the way everything was set up. We will definitely use them again.?
