We can help you get to the top where you will enjoy good reputation and traffic. You can look for direction from Lincoln Park, Chicago to our office by going to Google Maps.?

With their local SEO services, CWDC provides search engine optimization services required by small businesses to connect with possible customers that are close to the location of their store or office. Local SEO is vital to a small business because local searches make up over 40 percent of the 10 billion distinct searches made by Americans every month. And 50 percent of those who use their smartphones for the queries have been noted to visit the business within the day, while 34 percent of those who use their tablet visit the business within a day.

Their local SEO strategies focus on those people who actually visit the physical store or office of the business. It has been found that nine out of 10 people currently used search engines to find local stores, restaurants, and other businesses close to their location. The Google My Business (GMB) optimization services they provide can help customers find the business? phone number, address, and other relevant information needed by the customer to contact the business. It is also important to note that Google Maps and GMB occupy a vital space on the first page of the search results. The space they occupy is about 30 percent and this could be an important way of improving the business? brand authority and credibility at the top of the search results.

CWDC will also ensure that professional content is provided for the business? website because content is still king. Having the right website content is critical because this is the primary reason that people visit a website. The content is also where all of the links, videos, images, and keywords can be integrated. Site visitors are searching for answers to their questions or solutions for their problems and it makes sense to show how the product or service can offer the solution they are looking for.

Initiated in 2008 by Jack Lombardi, CWDC is a top-tier search engine optimization and web design company in Chicago and delivers its services to other leading cities in the USA. It also has a number of branches in other cities and towns. The company?s SEO services are offered by full-time SEO experts, who have a total experience of over 25 years.
