Chicago, Illinois - January 12, 2023 - PRESSADVANTAGE -

Near North Side business owners searching for the ideal digital marketing partner need to look no further than Chicago's very own Chicago Website Design SEO Company (CWDSC). The company offers new clients a free 21-point SEO audit of their current website and then helps them understand their hidden potential in a free 30 min web consultation.

Blessed with one of the most iconic skylines in the country, Near North Side is the oldest part of Chicago. It is the original settlement that blossomed into a thriving city that is today one of the world's foremost and enviable metropolises. With an overall grade of A+ on Niche.com and a median household income that is way higher than the national average, the region has hundreds of small businesses offering a plethora of essential as well as luxury services that are vying for a slice of a very lucrative pie. So, serving the nearly 100,000 residents who call Near North Side home has always been an uphill battle for service providers in the area.

Jack Lombardi, the CEO of CWDSC and SEO professional with over two decades of experience under his belt, talks about how his company can help Near North Side businesses achieve their goals. He says, "We can help you come up first in online searches when customers type in your target keywords. Once you show

up high in the search results, you will be established as a local authority in your industry and your customers will always choose you when they need the kind of product or service you offer. We have a seasoned team of SEO professionals who will be with you every step of the way on this journey. Our operations are completely data-driven. You will know in real-time exactly what your money is buying. We track everything and you will have unlimited access to all our metrics such as listening to calls, traffic, clicks, CPA (cost per acquisition), and more. Call us today to set up an appointment. Check out the directions from Near North Side to our office and meet with us to see your business grow by leaps and bounds.?

Since beginning his digital marketing journey in 2012, Jack Lombardi has helped all kinds of clients get to the top of their local search results. The company's diverse client base includes accountants, appliance repair services, basement waterproofing contractors, chiropractors, deck contractors, demolition contractors, dentists, DJ services, eCommerce companies, electrical contractors, excavation contractors, fencing contractors, garage door repair services, hardwood floor contractors, home builders, home remodeling contractors, HVAC contractors, kitchen and bath contractors, landscaping contractors, lawyers and law services, medical services providers, nightclubs, orthodontists, photographers, plastic surgeons, plumbing contractors, pool contractors, realtors, roofing contractors, veterinary offices, windows and doors contractors, and many more.
