

## **Party Rentals Available For Residential & Commercial Events In Glen Allen from Bounce Geeks LLC**

*January 16, 2023*

January 16, 2023 - PRESSADVANTAGE -

Glen Allen, VA-based Bounce Geeks LLC is reaching out to the wider community to share information about the range of party rentals it offers. Bounce Geeks LLC is a family-owned-and-operated party rental company that aims to provide fun, safe inflatable bounce houses and more for children's birthdays, family reunions, fundraisers, cookouts, corporate events, festivals, church or school activities, and more. Learn more about the company by visiting its official website at <https://bouncegeeks.com/>.

Owner Charles Eagle said, "If you want your party or other special occasions to be an unforgettable event for the little ones, all you need are our fun and exciting bounce houses. We have our own little bounce geeks and have been renting out bounce houses since we started our business back in 2016. Kids of all ages are almost magnetically attracted to bounce houses, and they provide hours of fun for everyone. But bounce houses aren't exactly things you can buy and store easily for later use, so you need a reliable place to rent them from. That's where we come in."

Bounce Geeks offers an expansive range of party rentals, including inflatable attractions like bounce houses, water slides, dry slides, bounce house combos, inflatable games, obstacle courses, dunk tanks, interactive games, trackless trains, climbing walls, and more. Bounce Geeks aims to provide unique and highly sought-after products that help the company stand out from the competition while providing the very best in commercial-grade equipment. Bounce Geeks even carries officially licensed bounce houses featuring popular characters, such as Mickey Mouse, Minnie Mouse, Disney Princesses, Spider-Man, and so on.

The company makes note that it takes safety seriously, beginning with carefully following the manufacturer's guidelines when setting up each inflatable. In addition, the company provides training to customers or volunteers who will be monitoring the kids while they are enjoying an inflatable. Bounce Geeks partners directly with industry-leading manufacturers to provide inflatables made with top-quality materials, including lead-free, fire-resistant vinyl. Each of the bounce houses feature mesh walls to promote adequate airflow and allow for appropriate supervision from outside of the rental. The company is also licensed and insured in the state of Virginia, so customers can count on high-quality equipment that has been cleaned and sanitized before every rental.

Those who want to take advantage of the company's services can use its real-time online booking system to see what is available on the day of their event and make reservations as needed. Users simply need to visit the company website, click the "Get Started" button, and enter the date and time of their event. Then, they simply have to browse through the Bounce Geeks website and add the items they want to their cart. Finally, they will be prompted to go through the online checkout process. Bounce Geeks clarifies that the website does not allow users to book for the same or the next day. Anyone looking for a solution at the last minute is encouraged to give the company a call as this would require a more personalized service with one of its staff members. Bounce Geeks provides party rental services throughout the greater Richmond, VA area and its surrounding communities, including Doswell, Ashland, Mechanicsville, Wyndham, Gum Spring, Oilville, Midlothian, Brandermill, Henrico, Chesterfield, Glen Allen, Manakin-Sabot, Varina, Bon Air, North Chesterfield, Highland Springs, Goochland, and Short Pump. The company is based in Henrico County and will deliver to surrounding areas within a 20-mile radius at no extra charge. The company is available to deliver to regions even further than the listed areas for an additional minimal fee.

Bounce Geeks' efforts have earned great praise from the community, as is evident on the company's Google My Business profile (<https://goo.gl/maps/CHATTgqZKSFwwnW1A>). Brandy F. writes in her five-star review, "I've used them twice and have been happy both times. The delivery and pick up people are great. The bounce houses are high quality. They dry out and sanitize upon delivery. Lots of choices. Was really hassle-free. They can't be beat for service."

Heather T. writes in another review, "They arrived early, the kids got to bounce all day, and they picked up late. We did the water feature since we knew it was going to be hot. The kids loved it! Customer service was

superb and friendly. We got instructions with safety instructions before using. He cleaned the bounce house prior to us using it. I got a message 15 minutes prior to drop-off so we could be ready. Website was user friendly. Huge hit for the kids and will use the company again. Heard about the business from a friend who was also pleased with the service!?

Those who want to learn more about Bounce Geeks LLC or the range of party rentals it offers should visit the company's website for more information.
