Renae Cox, based in Granville, from eXp Realty, recently announced she will be offering private and confidential buyer representation services to clients interested in owning a home in Ellington Village in Granville Ohio. Renae Cox has previously provided client representation and consultation at numerous exclusive locations throughout Licking County and Ellington Village is a natural continuation of that standard.

Ellington Village is located in a lovely country setting on HWY16 between Pataskala and Granville Ohio. This gorgeous rural neighborhood features large homesites, a 6-acre park with walking paths, 4 large ponds, beautiful common areas, and a future swimming pool with a pool house.

"Ellington Village is a gorgeous place to call home. From the moment you approach the entry you can feel how beautiful this place is going to be when it's all said and done," says Renae Cox.

There's plenty of retail shopping, restaurants, parks, golf courses, and entertainment. Residents have a quick

commute to Intel, I-270 outer belt - close to the Easton Town Center, New Albany, and other major business centers. Ellington Village is served by the growing Southwest Licking School System. Ellington Villages' attractive pricing coupled with its convenient rural setting makes it perfect for the homeowner looking for the best of both worlds.

One of Renae's most recent clients Carol W wrote, "Renae was patient, determined, and always encouraging. One of the greatest qualities I admired was her customer care skills. She listened and followed through on every desire, location, and need I expressed for my future home. I am ecstatic, happy, and looking forward to enjoying my home. I could not have picked a better Agent to take this journey with, thanks for making my home dreams come true!"
