*January 18, 2023*

January 18, 2023 - PRESSADVANTAGE -

Fluffy Bunnies Cleaning Service, a professional cleaning service and maid service provider in Milton, WA, is proud to announce their recent five star reviews from satisfied customers. They want to emphasize the company's growing reputation as a five-star reviewed company in view of their overall rating of 4.8 out of 5 stars on Google. And they want to point out that getting their services is a simple three-step process. First is for the customer to book an appointment using their online booking form. Next, the customer will receive a confirmation in about 30 seconds. And lastly, the customer can simply relax and wait for their service.

In a recent five star review, Carlie F. said, "I hired this company to do a move-out clean of a 2,000 square foot house, and they did a fabulous job. They cleaned spots that I've been trying to get to for years, and everything looks beautiful. This is an owner operated business, and you can tell that the owner really takes pride in her work. I will definitely hire again for future needs, and I recommend to everyone looking for a good, deep clean at a great price."

In another recent review, Susan S. gave them a five star rating and said, "I was at work but my husband let the lady's in. They introduced themselves and went straight to work. It took about 3 hours to clean the house. I stopped by the house to look things over and I was very happy with the results. The lady's were very detailed and my house smells great. I will be scheduling monthly deep cleaning after we finally get moved into the house." Meanwhile, Thomas W. also gave them five stars and said, "All my major attention to detail areas were addressed and his team walked the home before and after with me to make sure I was satisfied. I was more than satisfied - I have recommended them to multiple people and will continue to use and recommend their services. Awesome job, we can't thank you enough."
