Roofers in Torrington CT SJ Winn Construction Receive 5-Star Review for New Roof Installation

January 25, 2023

January 25, 2023 -
SJ Winn Construction, a full-service roofing company headquartered in Winsted, Connecticut, is drawing attention to a recent 5-star review that it received on its Google My Business profile. The company is urging local homeowners to check out what the review has to say and reach out if they are facing any similar roofing problems.

SJ Winn Construction?s roofing services include roof installations, repairs, and replacements, roof inspections, and storm damage restorations. Known for offering top-quality residential roofing services in Winsted and nearby areas, the company has helped hundreds of customers get out of a tough spot by providing emergency affordable roof repairs and replacements. The company is especially adept at restoring properties following damage caused by natural disasters such as storms, hurricanes, hail, and strong winds. It has received a lot of recognition for its roofing services as it has an impressive rating of 4.8 out of 5.0 on its Google My Business profile from over 50 reviews.

The latest SJ Winn Construction customer review, which the company wanted to share, praises its professionalism, clear communication, and technical roofing skills. The review says, ?A++. SJ Winn

Construction is the BEST OF the best! My husband and I recently built a house. Scott and his crew installed our new roof. We were 100% satisfied with his professional service, knowledge of products, time management, and flexibility. He spent extended time with us discussing and showing us colors, materials, and different options to choose from. Scott communicated with us throughout the process and informed us as things progressed. We would highly recommend SJ Winn Construction for your roofing needs! Thanks, Scott!?

The owner of SJ Winn Construction, Scott Winn responded to the customer review by saying, ?Your review means a lot to us. Thank you for acknowledging the hard work that we put in to ensure that all our clients feel satisfied with the work quality and service they receive. For new constructions, we give our customers every opportunity to customize their home?s roof to their liking, down to every last detail. We want you to feel like you are moving into your dream home when we are done with your property?s roof. We also realize that new homeowners value their time. So, we give it our all to stick to the original deadlines. Your home?s roof will be ready exactly when we promised and you will get progress reports every step of the way. Thank you again for taking the time to leave us this encouraging testimonial. Congratulations on your new home and we hope you enjoy living in Litchfield County.?

SJ Winn Construction is a GAF Factory-Certified Contractor, a distinction only reserved for the best roofing professionals who have demonstrated exceptional knowledge of the roofing industry and have consistently delivered good customer service. Due to its GAF-Certified status, the licensed and insured roofing contractor is also able to offer Winsted and Torrington residents the best warranties in the industry and access to the country's most premium roofing materials that offer extra ice, UV, and weather resistance.

SJ Winn Construction has years of experience working on all kinds of roof configurations and roofing materials including classic asphalt shingles, synthetic slate shingles, wood shake shingles, dimensional shingles, and more. The company?s experienced roofers build its customers? roofs exactly to specification and can work around challenges to ensure that the timeline doesn?t have to move. In case of unforeseen obstacles, the company believes in upfront communication to keep the homeowners updated. This honesty in its work ethic paired with the wealth of roofing knowledge that its crew brings to the table, customers wholeheartedly trust SJ Winn Construction, a sentiment that is profusely reflected in the many testimonials it has received from local homeowners.
