A number of clients have left excellent reviews of Moreira Team online, such as at the following link: https://www.yelp.com/biz/moreira-team-atlanta-4. For instance, David H. says in a Google review, ?This was my first time buying a home, and everything went great! Being a first time home buyer, at least for me, I was super nervous and anxious at the beginning of the process. Tim and the team answered all my questions with promptness and enthusiasm, and helped me feel more at ease. A lot of times, because I like to talk, we drifted off to other topics and had great conversations! Though all business was done over the phone and digitally, I now consider them my friends.? The review goes on to say, ?I will be recommending Moreira Team to my friends every time! To sum everything up, they're great! Best rates and best people!?

Another review from Molly D. says, ?Moreira Team came highly recommended from a close family friend who has used them for several of his deals. Al, Taylor (my mortgage processor and main point-of-contact) and her team were all amazing! Both Taylor and Al were lightning quick to respond and were so patient, answering all my dumb questions so thoroughly as we worked through my home refinance together. Taylor was friendly, diligent and had so much integrity. I was almost sad for closing day because in the month or so we spent talking regularly, Taylor was like a friend. I highly recommend Moreira Team!?
