

Boat Detailing Company In Wilmington Expands Services Offered

January 20, 2023

January 20, 2023 - PRESSADVANTAGE -

AutoworX Pro Marine & RV Detailing, based in Wilmington, NC, is pleased to share that their services now include Boat Detailing, RV Detailing and paint enhancement ceramic coating services. The company serves the communities of Wilmington as well as the surrounding areas of Wrightsville Beach, Landfall, Porters Neck and Carolina Beach.

The company offers boat and marine detailing, starting at only \$15 per foot. The company's AutoworX Pro Boat and Marine Detailing is available for all of their customers' watercraft detailing needs. From Jet Ski Detailing to Fishing & Sport Boat Detailing, the company can wash and detail a customer's favorite watercraft back to perfection. This is currently available in two locations: Wilmington and Myrtle Beach, and they are covering everywhere else in between as well.

Some of the service options available include the boat detailing special; the marine maintenance wash and gloss enhancement; pre-soak soap foam; cleaning cushions; rust stain removal; cleaning non-skid; a complete hand wash; water stain removal; cleaning isinglass, compartments and canvas and even the application of marine grade gloss enhancer. Customers can bring their boat to the company, or the team will come to the customer's local marina. The company encourages interested parties to call or visit the website to get a free quote too. AutoworX also offers professional RV detailing, camper detailing and coach detailing. For those looking for professional RV detailing in Wilmington, AutoworX is the company to call. The team will get their customers' coach camper or RV looking sparkling clean and ready for their next adventure. The company's AutoworX Professional RV Detailing, Coach Detailing and Camper Detailing services can bring any recreational vehicle back to a beautiful shine. They use modern, eco-friendly wash and wax technology, combined with over three decades of professional RV Detailing experience, to bring their customers the very best in RV Coach and Camper Detailing. Interested parties can get a free RV detailing quote from AutoworX today. The company also offers RV maintenance wash and gloss enhancement, pre-treating for bugs, a foam cannon pre-soak, gentle hand wash, an exterior glass clean, pneumatic and hand dry, tire dressing and application of gloss

enhancer.

Starting at only \$399, AutoworX also offers the Elite Pro Ceramic Coating option to all of their customers. Ceramic Elite Pro is the best option for long-term protection. Auto and boat owners love it, as it makes all treated surfaces twice as easy to clean while taking half the time. The company offers Ceramic Elite Pro for RV's, Coach or Camper, and it is ideal at keeping the owners from having to wax, leaving an easy washing. Interior surfaces can be coated, while also adding a beautiful shine and luster to all exterior surfaces as well. It is perfect for Auto, Truck, SUV, Aircraft, Boat, Watercraft, RV, Campers and much more. AutoworX is a Ceramic Pro ELITE Certified installer, which is an honor that is only bestowed to the top most talented Ceramic Pro installers in the US. See more here: [AutoworX Pro Ceramic Coating](#).

The company also does aircraft detailing services in the majority of the North Carolina and South Carolina areas. AutoworX Pro Detailing provides superior quality aircraft detailing and cleaning services while using environmentally friendly, aircraft-safe products. The company also offers auto detailing services to their customers, including for cars, SUVs and trucks. High-quality detailing services are on offer for anyone looking to maintain the exterior and interior of their vehicle.

The company also offers a door-to-door trailer service, which is perfect for exotic, high-end, vintage and collector cars. Similarly, AutoworX Pro Marine & RV Detailing has an affinity for motorcycles and fully understands the proper methods of fine motorcycle detailing (both vintage and cutting-edge modern motorcycles alike). With decades of experience in high-end motorcycle detailing and paint correction services, AutoworX Pro Detailing never lets their customers down. The company also handles SunTek Paint Protection Film Installation and Window Tinting.

Those interested in learning more about AutoworX Pro Marine & RV Detailing can head over to their website or call or email the company directly. The company also offers free estimates for all of their services.
