Lake Oswego, OR - February 07, 2023 - PRESSADVANTAGE -

Tersigni Vision, a leading vision correction center in Lake Oswego, OR, has recently released an article titled, ?Our Location ? Portland,? which explains why they chose Portland as their location. Dr. Tersigni, who has his roots in the Oregon Coast, decided to build a cutting edge vision correction center in Portland after observing that there was no such kind of vision correction clinic that he has envisioned in The City of Roses. The article also provides a brief history of Portland and offer directions for getting to the vision correction center from various points around the city. They also offer information on various must-see attractions in Portland that patients may want to check out with their improved vision.

Dr. Tersigni says, ?You shouldn't have to settle for one-size-fits-all vision correction. Tersigni Vision is the only vision correction center in Oregon to offer the entire portfolio of modern LASIK options. We'll help you find the right solution for your eyes. We are the only modern LASIK and vision correction boutique in Oregon to provide the full range of cutting-edge LASIK alternatives. We are easily accessible from any place in Oregon thanks to our property?s strategic location at 15150 Bangy Rd, Lake Oswego, OR 97035 and quick access to the highway.?

From downtown Portland, Tersigni Vision is just 10 miles away. From the Portland International Airport, they are about 20 miles, which also make it easy for patients arriving or departing. Portland is the biggest city in Oregon, a port city in the Pacific Northwest, and it is 60 miles east of the Pacific Ocean. According to the 2020 census, it has a population of 652,503 and it is the 26th most populated city the US. The Portland metropolitan statistical area (MSA) has 2.5 million residents and is the 25th most populous in the country.

Portland is also a popular culinary destination because of its fresh cuisine made from local ingredients, including the best seafood in the world and delicious doughnuts. It is also popular for having the best food carts in any city, and the city also offers its own signature coffee and craft beer.

Portland is also popular for providing the conveniences available in a large city and the attractions provided by a little town. It has a dependable public transport system, an international airport, several museums and art galleries, and major league sports teams. There are also plenty of independent bookstores, arts and crafts fairs, and local traditions like the World Naked Bike Ride and the annual Rose Festival Parade.

Some of the must-see locations in Portland that Tersigni vision patients may want to check out with their improved vision are the: International Rose Test Garden; Pittock Mansion; Oregon Zoo; Oregon Museum of Science and Industry; Portland Japanese Garden; Portland Art Museum; and Washington Park.

Founded in 2022 by Dr. Steven Tersigni, Tersigni Vision has the goal of bringing world-class care for vision correction that can significantly change the lives of people in Oregon and the Portland area. Dr. Tersigni had graduated cum laude from the University of Oregon after which he earned his medical degree and a master?s degree in public health from Tulane University?s School of Medicine in New Orleans. Later on, he finished his internship at the Sacred Heart Medical Center in Spokane, Washington, and this was followed by his ophthalmology residency at the Ira G. Ross Eye Institute in Buffalo, NY. Next, he completed his fellowship in anterior segment and refractive surgery under the mentorship of world popular vision correction surgeon, Dr. Y. Ralph Chu at the Chu Vision Institute in Minneapolis, MN. It was at this point in time in his training that Dr. Tersigni became knowledgeable about the complete range of vision correction solutions. He worked for some time at one of the leading US vision correction centers before he finally established Tersigni Vision.
