January 25, 2023 -
Marietta, Georgia - Marietta Tree Service, a leading provider of tree removal services in the Marietta area, has announced the expansion of its Emergency Response Team. The expansion comes in response to increasing requests for emergency tree removal services throughout the Marietta neighborhood.

The company is committed to providing the highest quality tree care services to residents and businesses, and expanding its Emergency Response Team is just one of the ways it plans to achieve this goal.

"We are proud to announce the expansion of our Emergency Response Team," said Claire Veredico, CEO of Marietta Tree Service. "It is vitally important that all residents feel safe and secure in their homes, and our expanded team will be able to respond quickly and effectively to any hazardous tree issues that may arise. We understand that tree-related hazards can cause significant damage and even danger to residents, and we want to ensure that we can address these issues as efficiently and effectively as possible."

Marietta Tree Service's expert team of arborists is highly skilled and experienced in identifying and safely removing trees that could pose a hazard to nearby homes and businesses. The team is equipped to inspect surrounding trees, analyze the results, and recommend the best course of action for maximum safety. This includes quick, complete removal of any trees that may be hazardous or unstable, as well as sustainable options for maintaining healthy trees and preventing further hazards.

The company has received feedback from residents and businesses that they have noticed an increase in the number of hazardous trees throughout the area. This feedback has prompted Marietta Tree Service to fast-track the process of expanding the region with access to its emergency tree services.

"We understand that tree-related hazards can cause significant damage and even danger to residents, and we want to ensure that we can address these issues as efficiently and effectively as possible," says Claire Veredico. "By expanding our Emergency Response Team, we hope to improve safety, security, and peace of mind in the Marietta neighborhood. We are committed to providing the highest quality tree care services to residents and businesses, and this expansion is one of the ways we are working to achieve this goal."

Tree-related hazards can include anything from fallen branches and damaged trunks to entire trees that have become unstable and are at risk of falling. Such hazards can cause significant damage to homes and businesses and even put lives at risk. That's why it is vital to have a professional team that can quickly and safely address these issues, which is why Marietta Tree Service is expanding its Emergency Response Team.

The company's team of arborists is highly trained and experienced in identifying and safely removing hazardous trees. They use state-of-the-art equipment and techniques to minimize the risk of damage and injury and to ensure that the work is completed as quickly and efficiently as possible.

Furthermore, the company's Emergency Response Team is also equipped to provide sustainable options for maintaining healthy trees and preventing further hazards. They can provide regular tree inspections, pruning, and maintenance services to ensure trees remain healthy and stable. This can help to avoid potential dangers from arising in the first place.
