Mason City, Iowa - January 21, 2023 -
Mason City, IA ? Eyemart Optical Outlet has brought on board a new optometrist, Mark Davis, O.D., who will join its practices in Mason City, Ames, and Marshalltown. The addition of Dr. Davis to the three locations will allow Eyemart Optical Outlet to see more patients and grant more vision prescriptions that patients can use with the practice?s large selection of affordable eyewear.

?We?re very excited about Dr. Davis joining us,? said Rachel Sivi, owner and president of Eyemart Optical Outlet. ?He?s not only caring and great at making patients feel comfortable, but he also has experience working with all kinds of people and their unique vision needs. That expertise is valuable to our patients at Eyemart Optical Outlet, and we think they will love his skill and compassion as a doctor.?

An Iowa native, Dr. Davis attended the University of Iowa and earned his Doctor of Optometry at the Illinois College of Optometry. issues, including those due to traumatic injury. Dr. Davis is multilingual and speaks some French and Spanish.

?I can?t wait to begin seeing patients at Eyemart Optical Outlet,? said Dr. Davis. ?We have the cutting-edge technology patients expect and friendly staff that puts patients at ease.
