The West Plano branch of Artisan Vapor & CBD has earned great praise from their customers for their excellent products and committed customer service. Mike Moreno says in his 5-Star review, "This is by far the best vape shop I have ever been to. Very knowledgeable and extremely patient. Took the time to teach me about the device I just purchased. I wouldn't go anywhere else. Do yourself a favor and come here. Although I kind of like the flavor they recommended, I understand taste is subjective. I'd give it more stars if I could!"

Katherine Rosecrans says about the CBD store, "Today, I came in to the shop because my boyfriend thought he broke his vape. Expecting to have to buy a new one, I went into the shop and asked them if they could help see if it was broken or if it had just come loose when he dropped it. Not only did they figure out what type of juice he previously had in it (I wasn't sure) but took the entire thing apart, cleaned it, refilled it, and made sure it was working before I left. Excellent customer service all around. These are awesome people willing to help with everything. Thanks, guys!!"
