January 25, 2023

January 25, 2023 -
Santa Ana, California ? Tree Service Experts Santa Ana is excited to announce the upgrade of its fleet of pickup trucks to provide faster emergency response times and better serve the community. The company, which is locally owned and operated, is known for its commitment to exceeding customer expectations and providing top-notch tree trimming, pruning, emergency removal, and maintenance services.

"We are dedicated to providing the best service possible in the fastest time frame," said CEO Streeter Lucio. "Our upgraded pickups enhance our ability to respond quickly to emergencies and reach those affected by fallen trees or leaning branches. Safety and customer satisfaction are always our top priorities."

Tree Service Experts Santa Ana is well-respected in the Santa Ana community for its commitment to providing knowledgeable advice on tree care and ensuring that every job meets its high standards. The company is passionate about trees and takes great pride in being an expert in arboreal maintenance. They believe trees play an important part in the ecosystem and deserve the same respect given to living creatures.

"We believe trees are not just a decorative aspect of our environment, but they also play a vital role in maintaining a healthy ecosystem," said Streeter Lucio. "Trees provide numerous benefits, such as oxygen production, carbon sequestration, and habitat for wildlife. They also have a positive impact on the mental and physical well-being of humans. That's why we take our job of caring for trees very seriously and always look for ways to improve our services."

The upgraded pickup fleet is one way Tree Service Experts Santa Ana is working to improve its services. The company has also invested in the latest equipment and tools and provided ongoing training for its employees. This allows the company to offer a wide range of services, including tree trimming, pruning, tree removal, and stump grinding.

"We understand that each tree is unique and requires different care," said Streeter Lucio. "That's why we offer a comprehensive range of services. Our tree trimming and pruning services are designed to maintain the health and structure of your trees, while our tree removal services are for damaged, diseased, or dead trees. Our stump grinding service is also available for those who want to remove the unsightly stumps from their yard."

Tree Service Experts Santa Ana also offers emergency tree removal services when a tree falls or is in danger of falling. The company's upgraded fleet of pickups allows them to respond quickly to emergencies, ensuring that affected customers are not left waiting for help.

"We know that emergencies can happen at any time, and we want to help as soon as possible," said Streeter Lucio. "Our upgraded pickups allow us to reach affected customers quickly, ensuring they are safe and their property is protected."
