January 25, 2023 -
Locally owned and operated Dumpee Dumpsters is pleased to highlight recent positive reviews from former customers on its various online platforms. The company offers versatile options for a dumpster rental Augusta GA contractors, business owners, residents, and property managers rely on to clear waste quickly and efficiently.

Owner Kendrick Lee founded the company in 2020 with the goal of providing a positive rental experience for his various residential and commercial clientele. ?Waste removal shouldn?t break the bank or cause unneeded stress,? Lee said, ?Whether you?re just cleaning out your home and getting rid of bulky furniture or embarking on a full-scale rental property flip, we have the services and dumpster sizes that will help you get the job finished in a streamlined way.?

The company holds an impressive 4.9 out of 5 possible stars on its Google Business Listing with 83 reviews to date and is positively recommended on its official Facebook page. Customers remark on the company?s

clear-cut, open communication, on-time delivery, versatile roll-off bin options, and convenient scheduling options. Satisfied customer Betsy Gross noted the company?s professionalism, punctuality, quality, responsiveness, and value, and said, ?The man from Dumpee-dumpster was amazing. We were cleaning out my grandparents? home and needed a dumpster immediately. I really didn?t think we stood a chance of getting the dumpster on a Saturday but I made the call. To my surprise, the gentleman agreed to bring the dumpster to us! He was very kind and delivered it to us at as promised. He also gave us advice on where to put the dumpster so we could load it easily. I would highly recommend this company to anyone who needs a service like this. They are kind, professional and trustworthy. My family is very grateful.?

Customer Tymirial White commented on the company?s efficient delivery methods, as well as the cost-effective pricing model. White said, ?Dumped Dumpsters was very professional, they were on time with delivery. They were quiet when delivering and picking up, I didn?t even know the dumpster was gone the day of pickup. Best of all they are reasonably priced. I would definitely use them again as well as recommend.?

Randy Rewis noted the company?s punctuality and responsiveness in his review, and said, ?Dumpee Dumpsters was very responsive and dropped off the dumpster on time, as well as picked up the dumpster on time. It was easy, painless, and convenient. Overall, I am satisfied in supporting this business. I definitely recommend choosing them to service you and I am very likely to use their services in the future.?

Dumpster rentals are used to safely and conveniently hold and subsequently haul away large quantities of waste in support of a broad scope of repair, renovation, demolition, development, or cleanout projects. According to the company website, its fleet of dumpsters is used to help hoarding cleanouts, construction site cleanups, landscaping efforts, DIY home renovations, roofing repairs or replacements, commercial office park cleanouts, housing additions, and much more. The company supplies its range of heavy-duty equipment from U.S.-based manufacturers and, in accordance with local regulations, does not accept hazardous debris, which can include motor oils, gasoline, asbestos, liquid paints, or flammable liquids.

Along with industry-grade dumpsters, the company offers junk removal services, both of which can be scheduled using the company?s state-of-the-art booking site. In the instance of junk removal, interested parties can schedule a two-hour window for the Dumpee Dumpsters team to arrive and assess the junk, at which point the staff will offer a no-obligation estimate. If customers would like to move forward with the project, the junk removal specialists will get to work immediately.

The company services a wide range of Georgia, including the communities of Augusta, Grovetown, Martinez, Evans, Hephzibah, Harlem, Thomson, Appling, Blythe, and cities within South Carolina, including North Augusta and Aiken. According to the website, those who are interested in scheduling the company?s services outside of the listed radius are encouraged to contact staff to see if arrangements can be made.
