Dallas Limo Company Pulling Out All the Stops with Its New Red Carpet Wedding Service

February 03, 2023

Carrollton, Texas - February 03, 2023 -

DFW Limo Service has long been known for being one of the best ways to get to a Dallas or Ft Worth location in style after a flight. But that just scratches the surface when it comes to the different reasons why people call this highly rated Dallas area luxury car company for transportation. It also caters to those traveling to corporate events, concerts, and sports venues, or who want to safely enjoy such fun activities as city tours, date nights, and bachelor or bachelorette parties. Services that those at this luxury ride service are always looking to improve. A good example of that is DFW Limo Service announcing that it will be taking its wedding transportation services to a whole new level. Something that starts with rolling out an actual red carpet for a couple before and after they tie the knot and providing complimentary champagne for the occasion. Suleman Moosa, the Owner of DFW Limo Service, says, ?Our chauffeured wedding services have been very popular ever since I first started this company. But despite that, My team and I thought we could make them even better. Those who book wedding transportation services with us in the future will love everything from the red carpet treatment they and their guests get to sipping on complimentary champagne as they ride along in comfort and safety. You can find us on Yelp if you want to know more about our luxury wedding and other classy limo transportation services.?

Moosa described himself as a very hands-on owner and he is commonly found behind the wheel of one of his large fleet of vehicles. He credits that with being able to look deeper at the services DFW Limo Service offers and come up with creative ways to make them even better. What they are now doing with their wedding transportation services is a good example of the keen company insight that comes from being both a businessman and a driver. The company owner says that some things will not change regarding the wedding transportation services that they offer. This includes picking up the lucky couple and guests on time, getting them where they need to be when scheduled, and keeping them safe and comfortable throughout the entire experience. Those that book wedding transportation with DFW Limo Service will still get to choose from a variety of large and small vehicles that are kept in showroom new condition and feature plush seating, incredible sound systems, and many other amenities that make luxury limo service with them more of an experience than just a simple point to point ride. Moosa added, ?You can find out all that you need to know about our services and vehicles on our website. When you go to our website you can book your reservation here too.?

Those that have used DFW Limo Service to get around the Dallas/Ft Worth Metroplex often leave rave reviews about their experience with this company. Susan Murdoch stated, ?Very satisfied with this limo service. They did everything right with timely notifications and clean comfortable vehicles. The booking was easy and responsive. The pickup and drop-off went exactly as planned. I will definitely use them in the future.? Michael Foley wrote, ?Their service was excellent. They contacted me as soon as the plane landed and were there to pick me up from baggage. The driver was very nice and professional, and their vehicle was clean and comfortable. I would absolutely use their service again in the future.? Gigi Norwine proclaimed, ?DFW Limo Service was spectacular! I am a retired Grandma traveling alone and I flew into Dallas at night. The driver came inside to get me and then made sure I was comfortable. The same treatment was given when I went back to catch a plane home. For quality service, clean cars, and kind, caring individuals use DFW Limo Service. I am forever grateful!? Moosa says that he and his fellow team members will do whatever it takes to keep DFW Limo Service among the highest-rated luxury transportation providers in the Dallas/Ft Worth area. He invites those looking for a classy, pristine, and courteous luxury ride experience in the Metroplex to also, ?Check us on Facebook?.
