[Tulsa, OK, 25th/January/2023] ? Neptune Towing, a company offering towing and recovery services in Tulsa, Oklahoma has purchased more vehicles expanding their fleet. City and state crews have been working all week before, during and after the winter storms across the Tulsa area, resulting in the expansion of Neptune Towing's fleet.

The new vehicles allow Neptune Towing to stay on the road 24/7, in an effort to handle the increased demand. "More vehicles results in more services offered," says Remi Carillo, owner of Neptune Towing. "Last year was a good year for our company, we reinvested and purchased new vehicles and created a new website," added Remi.

Neptune Towing offers many services such as towing, equipment hauling, transporting, recovery's, winch-outs, unlocks, jumpstarts, tire changes, move sheds and moving toolboxes. They are the leading towing & recovery service in Tulsa and surrounding areas such as Jenks, Owasso, Bixby, Broken Arrow

and Sapulpa. The company claims to be the best option for those searching online for "towing Tulsa".

A review of the company's service by Elizabeth Jackson says, "Neptune Towing is just the best! The last thing you want is to be towed... and I was so surprised with Levi. The guy on the phone gave an accurate estimate of how long to wait and then Levi gave a courtesy call 15 minutes before he showed up. Friendly, professional and the best part was it DIDN'T cost a fortune! Based on mileage my tow was a lot less than I expected. Highly recommend it. ??????"

The company can be reached by calling (539) 292-3074 for any booking-related inquiries. There is also a contact form on the website to get in touch with them directly. Customers can follow the company's Facebook page at <https://www.facebook.com/towing.near.me.tulsa> to see all the vehicles in the fleet and stay up to date on new services.
