

316 Waste Solutions Earns 5-Star Ratings for Dumpster Rental in Wichita KS Services

January 25, 2023

January 25, 2023 -

Locally owned and family-operated company 316 Waste Solutions is pleased to showcase dozens of 5-star ratings and recommendations across its online platforms, including Facebook and Google Business. The company specializes in all-inclusive waste removal options for residential and commercial clientele, including clean-out services and roll-off container rentals. Those seeking a dumpster rental in Wichita KS are encouraged to visit the official company website to learn more about its services, view its delivery area, and schedule a dumpster delivery online.

Co-owners Alex and Lori Williamson founded the company with the mission of providing premier waste removal services for projects of all sizes and scopes. "Whether you're removing outdated electronics from one of our amazing public libraries or cleaning up bulky materials after completing a construction project, our experienced team is available to support your goals in a timely and efficient manner," Lori said. "Our goal is to handle the bulk of the dirty work so that you can focus your time and energy on the main project at hand. Let our friendly and dependable crew manage the waste so you can get back to work."

The company holds a 5.0 rating with 28 reviews to date on its official Facebook page. Customers who recommend 316 Waste Solutions comment on the affordable rates, convenient drop-off options, and helpful staff members. Customer Mark Evans said, "Very nice people great job. Very helpful on picking up and dropping off a new dumpster as I needed one the same day. Highly recommend this company."

Another positive review remarks on the flexibility of scheduling with the company. Customer Kevin Tate said, "I needed a dumpster on a last minute basis and they were able to get a dumpster to me with no issues. We also needed a little more time to finish what we were doing and they allowed us to keep the dumpster a little longer to finish. Hands down they give some of the best customer service I have seen in a long time. I HIGHLY recommend them! They are also locally owned which is a big plus because the money I spent stays here."

Another 5-star rating notes that the company delivered a sanitized, easy-to-load bin on-time. Customer Teresa Donnelly-Shackelford said, "I am very pleased with their service. They delivered on time and promptly picked container up Monday morning. Their containers are clean and with the end opening so you can walk into the container was a benefit for me. I recommend 316 Waste Solutions."

The company has received over 50 5-star ratings on its official Google Business listing. Satisfied customers provide more insight into the working experience with the team at 316 Waste Solutions, including quick response times, convenient dumpster trade-outs, and competitive pricing. Customer Cliff Dweller noted that the company excels in professionalism, punctuality, quality, responsiveness, and value, and said, "316 was the epitome of good service! I had to empty my grandmother's in Wichita, KS after she passed. A hoarder had lived with her. Lori at 316 was extremely helpful in explaining how dumpster rentals work. She even gave me contacts for other related items (scrap metal and a medical "recycler." They were prompt with delivery and fortunately, even were able to work with me on timing, as in all, I need two 25 yard dumpsters for a week (to remove the junk prior to the estate sale) and one 20 yard for a day (after the estate sale). I highly recommend 316!"

According to the company website, 316 Waste Solutions has built a solid, noteworthy reputation within the Wichita community by offering all-encompassing clean-out services, including for construction waste, electronics recycling, foreclosure cleanouts, yard waste removal, and rental property cleanout, among other offerings. The company offers solutions for those who wish to load the waste at their own pace in the form of commercial-grade open-top roll-off bins, available in three sizes, including 15-yard, 20-yard, and 25-yard. The company stands out from competitors with long-term rental options, transparent pricing, and convenient online booking.
