SEO Fight Club Reveals Their Biggest SEO Mistakes

January 26, 2023

January 26, 2023 -
SEO Fight Club, the popular YouTube SEO show dedicated to open debate and peer review of cutting edge SEO research and theory crafting, has just released its most recent episode featuring the hosts sharing their own biggest SEO mistakes.

In this episode, the hosts candidly discussed their own experiences with SEO and how they have learned from their mistakes. From blocking the search engine bots to building websites on bad foundations and everything in between, the hosts shared their personal stories and the lessons they learned from them.

"SEO is an ever-changing landscape and it's important to learn from our mistakes," said Ted Kubaitis, of SEO Fight Club. "In this episode, we wanted to share our own experiences and the lessons we learned so that others can avoid making the same mistakes."

SEO Fight Club is a weekly show that provides a rare view into the debates and discussions that happen nearly daily about what is happening in SEO. The show is dedicated to providing valuable and actionable insights for SEO professionals and beginners alike.

"We believe that learning from others' mistakes is one of the best ways to improve your own SEO skills," said

Lee Witcher, another host of the show. "That's why we decided to share our own biggest SEO mistakes in this episode, and we hope that it will help others to avoid making the same mistakes. Or at least learn that you can recover from SEO errors."

The latest episode of SEO Fight Club can be found on the show's YouTube channel and is available for everyone. SEO professionals tune in every week for the latest SEO tips, tricks, and insights.
