January 30, 2023 - PRESSADVANTAGE -

Lexington, KY ? Lexington Tree Experts, a local landscaping and tree services company, has been awarded recognition for its civic contributions to the community. The company, which is based in the Lexington area, has been involved in a variety of projects that aim to improve the quality of life for residents of Lexington.

Lexington Tree Experts has been involved in several park improvement projects as part of its ongoing mission to benefit the local area. These projects have helped make the Lexington area's parks more beautiful, safer, and more enjoyable for residents and visitors alike.

The company has worked on tree health improvements, which include planting new trees, providing regular maintenance and care, and removing trees that have become diseased or hazardous. The company has also pruned and trimmed existing trees to ensure they are healthy and safe. Additionally, they have been involved in removing hazardous trees, which can harm the public if they fall or become diseased.

In addition to the park improvement projects, Lexington Tree Experts has also been involved in other civic projects that have positively impacted the community. For example, the company has worked with local schools and non-profit organizations to provide trees and landscaping services at no cost. This has helped to beautify the area and provide a more pleasant environment for students, staff, and visitors. The company has also worked with local government agencies to provide emergency tree removal services after storms and other natural disasters.

Emmy Jessica, CEO of Lexington Tree Experts, commented on the company's recognition, saying, "At Lexington Tree Experts, we are focused on providing high-quality and professional services to Lexington. However, we are more than just a service provider ? we care deeply about the local community and strive to make a positive difference by putting effort into civic projects and doing our part to make the community a better place."

Jessica went on to say, "We are honored to be recognized for our contributions to the community we have called home for many years. Now more than ever, it is important for us to use our resources for the greater good. We will continue to work hard to provide meaningful and sustainable improvements that our community can enjoy long into the future."

In addition to its civic contributions, Lexington Tree Experts is dedicated to bringing beauty, safety, and value to residential and commercial properties in Lexington. The team is available 24 hours a day, 7 days a week, ensuring they can respond quickly and provide reliable customer service. The company's team of experts includes certified arborists with the knowledge and expertise to provide the best possible care for trees.

The benefits of trees are well-known. They provide shade and beauty and help to clean the air. They also provide a home for wildlife and can help to reduce the effects of the urban heat island. By providing tree care services, Lexington Tree Experts is helping to improve the environment in Lexington. The company is also helping make the community more pleasant to live, work, and visit.

Lexington Tree Experts is a company that is committed to making a positive impact on the community. The company's dedication to civic projects, commitment to providing top-quality services, and its team of experts make it a valuable asset to the Lexington area.

The company's recent recognition is a testament to the hard work and dedication of the team at Lexington Tree Experts, and they will continue to strive to make a positive impact on the community for years to come.

The company will continue to work on civic projects, providing regular tree care and emergency services to ensure that the trees in Lexington are healthy and safe.
