Off-Island Dental Offers Clients Ways To Save With Dental Discount Plans

January 30, 2023

January 30, 2023 -
Bluffton, SC - Bluffton-based clinic Off-Island Dental Care is allowing its clients to save big time with their Dental Discount Plans.

The discount program is their way to provide consumers with affordable dental care. Off-Island Dental says their dental discount plan is similar to a membership club that is paid annually and offers several benefits. It is ideal for those without dental insurance.

A dental discount plan enables patients to earn savings or discounts on various dental services. Patients can begin saving money on dental appointments by enrolling in this plan. In addition, upon availing Off-Island Dental Care's discount plan, customers can receive thorough dental checkups in addition to periodic and emergency tests.

In addition, the dental discount plan of Off-Island Dental allows patients to get radiographic services, such as full mouth X-rays, bitewings, and periapical therapy. In addition, patients are eligible for savings on preventive procedures such as teeth cleaning, perio maintenance, space maintainers, fluoride, and sealants. Plan

members also receive substantial discounts on all other dental services, such as fillings, crowns, bridges, root canals, tooth extractions, dentures, dental implants, and cosmetic dentistry.

The Bluffton SC Dentist's discount plan does not need pre-authorization requirements or waiting periods and has no annual maximum.

The Off-Island Dental Care discount dental plan costs $400 for the first family member and is valid for one year from the date of service and/or payment. After the first member, the second and third members can acquire the membership for $250 and $150, respectively. Optional perio plans are also available for $250.

"At Off-Island Dental Care, we strive to provide exemplary customer service to every patient. We provide financing options such as dental discount plans to assist you in paying for your care. This makes dental care more affordable for our patients. With these, you won't have to wait until it's too late to get your smile back," the dental company said.
