January 30, 2023 - PRESSADVANTAGE -

Tulsa, Oklahoma - Neptune Towing already provides expert towing and recovery services to the larger Tulsa metropolitan area, but it is keen to expand its service areas. Remi C, the business's owner, disclosed that Neptune Towing would expand its coverage area to include the broader Jenks metropolitan area. Neptune Towing has raised the number of flatbed trucks it has available and the size of its fleet to accommodate the increased sales volume. With the expansion into Jenks, Neptune Towing will be able to contact even more clients and continue expanding its clientele. Remi stated that "even as we grow our operations, Neptune Towing will continue to provide the highest quality service at its Tulsa operations. We've hired 5 additional drivers, and we're excited to get to know new folks in Oklahoma."

Neptune Towing's commitment to the future is evident in the growth of their service area, which also allows them to continue providing the best towing service to individuals and businesses throughout Oklahoma.

For the new service area, Neptune Towing also offers career opportunities; readers may learn more about these by calling the number shown on their website.
