RehabNear.Me Launches Text Message Assistance for Substance Abuse and Mental Health Treatment

January 31, 2023

Los Angeles, California - January 31, 2023 -
Los Angeles, CA - RehabNear.Me, a leading platform for finding substance abuse and mental health treatment centers, has announced the launch of a new text message assistance feature. The feature allows individuals to receive support and guidance via text message, in case they do not feel comfortable speaking on the phone.

RehabNear.Me understands that seeking help for substance abuse and mental health can be a difficult and overwhelming process. The new text message assistance feature aims to make the process as easy and accessible as possible for those in need. By simply sending a text message, individuals can receive information on local treatment options, insurance coverage, and other important resources.

"We believe that everyone deserves access to quality treatment and support, regardless of how they prefer to communicate," said a spokesperson for RehabNear.Me . "Our new text message assistance feature provides a discreet and convenient option for those who may not feel comfortable speaking on the phone. We're here to help, and we're committed to breaking down barriers to treatment."

RehabNear.Me continues to be at the forefront of the fight against substance abuse and mental health by providing individuals with the resources and support they need to begin their journey to recovery. The new text message assistance feature is just one of the many ways the company is working to make a positive impact on individuals and communities.
