Family-owned waste disposal provider Dumpee Dumpsters is excited to announce that the company has extended its service areas to reach a broad scope of northeastern Georgia. The company has built a positive reputation by providing residential and commercial options for dumpster rentals in Augusta GA and neighboring communities. Those interested in learning more about the company?s services and rental process are encouraged to visit the official website.

Based in Augusta, Georgia, Dumpee Dumpsters announced that its service region now extends to Grovetown, Martinez, Evans, Hephzibah, Harlem, Thomson, Appling, Blythe, and other areas of Georgia, as well as North Augusta and Aiken in South Carolina. The company regularly partners with local businesses, government offices, commercial enterprises, school districts, community organizations, and residents seeking roll-off dumpster service in these areas. According to the company website, the staff delivers outside of the listed region as well. Certain delivery areas may incur an additional travel fee.

Owner and company spokesperson Kendrick Lee remarks on the extended service area. ?We?re thrilled to be the go-to choice for residents and businesses in Augusta and the surrounding communities of Richmond County,? Kendrick said. ?Whether you?re clearing out clutter from your home or embarking on an extensive remodeling project, we?re here to help hold and remove the waste with ease.?

Open-top dumpster rentals are used by homeowners, contractors, businesses, and individuals seeking a method for containing and hauling large amounts of waste at once. The company delivers its bins to help support various waste disposal goals, including home renovations, roofing repairs, flooring removal, minor demolitions, housing developments, new infrastructure construction, junk or furniture removal, and more.

To better assist its clientele, Dumpee Dumpsters offers two roll-off bin sizes: 15-yard and 20-yard. The 15-yard container measures 14? long by 7? wide by 4? high and begins at $325 for up to three days of rental time, with one ton of waste disposal included in the base price. The bin is available beginning at $375 for up to seven days of rental time, with one ton of waste disposal included in the base price, or $425 for up to 10 days of rental time, with one ton of waste disposal included in the base price. Additional days and extra tonnage are available for purchase at $20 per day or $65 per ton.

According to the website, this size is often utilized for residential garage cleanouts, flooring removal, minor interior repairs, cabinet installation, clearing out deck demolition debris, remodeling a small residential room like a half bath or laundry room, and other efforts. The 15-yard container holds the equivalent of six pickup truck loads of waste.

The 20-yard measures 14? long by 7? wide by 6? high and begins at $375 for up to three days of rental time, with two tons of waste disposal included in the base price. This container is available beginning at $425 for up to seven days of rental time, with one ton of waste disposal included in the base price of $475 for up to 10 days of rental time, with two tons of waste disposal included in the base price. Additional days and extra tonnage are available for purchase at $20 per day or $65 per ton.

The 20-yard is often used by homeowners, roofing professionals, contractors, and business owners to complete driveway demolitions, single-room renovations, roofing replacements, office park cleanouts, hoarding cleanouts, housing development debris cleanups, and more. The 20-yard container holds the equivalent of seven pickup truck loads of waste.

In an effort to implement safe and sustainable disposal practices, the company does not accept hazardous waste, including, but not limited to, asbestos, liquid paints, medical waste, food waste, gasoline, motor oils, or flammable liquids. For a definitive list of prohibited items, contact the staff directly.
