321 Maids is offering expert affordable cleaning services to Florida homeowners and vacation rental owners. Readers who want to hire or inquire about its property cleaning services in Florida can download its app or reach out through its website.

321 Maids, which provides both one-off and contract-based recurring services, has had tremendous growth over the last few years. Established by a Florida local from Cocoa Beach, the family-owned and operated company has built up a reputation for trust and reliability that few other cleaning service companies in the state can match.

One of the reasons that customers keep coming back to 321 Maids includes its extensive and adaptable portfolio of cleaning services that thoroughly cover every indoor inch of their property. All of its services, along with additional options, can be chosen with an easy-to-use interface on its app or website. All bookings are completely transparent as the company doesn?t upsell or charge any hidden fees.

321 Maids offers several cleaning options. Its Standard Cleaning service is a maintenance clean that focuses on all reachable areas and surfaces of the home and is usually booked by customers on a recurring basis. It is the ideal option for vacation rental owners who need periodic Airbnb cleaning services.

The company?s Deep Cleaning service adds all unreachable areas of the home such as corners, behind appliances, and baseboards, to what is covered by Standard Cleaning. It is aimed at homeowners who haven?t had their property cleaned in 2-3 months. The Heavy Duty Deep Cleaning service adds even more cleaning options such as bathroom discoloration, excessive dust, or excessive animal fur.

For customers who are moving in or out of a property in its service area, the company offers the Move In / Move Out Cleaning service which includes a full deep cleaning of the residence, as well as inside cabinets, fridge, oven, and drawers. The only stipulation is that the home needs to be empty of furniture and trash.

Finally, 321 Maids? Hourly Cleaning service is a fully customizable clean where customers can choose exactly what they want to be done in the allotted time. A full breakdown of all the services including individual cleaning tasks is available on the company?s website.

The spokesperson for 321 Maids talks about what makes the company?s services a cut above the rest in Florida by saying, ?Apart from the plethora of service options, customizable add-ons, and cash-free payment options, the real reason why we have found a place in the hearts of Florida homeowners is our handpicked cleaning crew. Every member of the 321 Maids team is an experienced home cleaning professional who cares about your property?s upkeep. Unlike the cleaning crews assembled by our competitors, all of them are fluent in English ensuring that there are no barriers to communication. You can also reach out to them online to give detailed instructions. Most importantly, every crew member is someone you can trust to access your home as they are background and reference checked, interviewed in person, and highly rated by our customers. When you hire 321 Maids, your home is in safe hands.?

321 Maids has received near-unanimous approval from Florida property owners for its high-quality and trusted cleaning services. The company has a perfect 5.0 out of 5.0 overall rating on its Google Business Profile from almost 100 reviews.

One of the latest reviews says, ?I have tried some other cleaning services trying to test out who I want to go with and I?m definitely going with 321 Maids. The house is beautiful, deep cleaned, and tidied. The communication throughout has been great. I am planning to go forward with regular service.?

The professional cleaners at 321 Maids are available to serve homeowners and rental owners in Brevard, Flagler, Indian River, Lake, Orange, Osceola, Polk, Saint Lucie, Seminole, and Volusia counties. As of the time of writing, 321 Maids is running a limited-time promotional offer that gives $20 off to first-time clients.
