Precision Auto Sales & Service, An Auto Repair Shop in Kansas City, MO., Is Now Offering State Inspections

February 07, 2023

February 07, 2023 - PRESSADVANTAGE -

Precision Auto Sales & Service, a leading auto repair shop in Kansas City, MO, is proud to announce that they are now offering state inspections for their valued customers. The team at Precision Auto Sales & Service is committed to providing top-notch services that ensure the safety and reliability of each and every vehicle that enters their shop.

State inspections are a crucial aspect of vehicle maintenance and ownership. They are designed to ensure that vehicles are operating safely and efficiently on the roads, and meet the necessary state standards. As a result, these inspections play an important role in protecting both drivers and the environment. With the addition of state inspections to their services, Precision Auto Sales & Service is making it even easier for customers to maintain their vehicles in top condition.

At Precision Auto Sales & Service, state inspections are performed by highly-skilled and experienced technicians. The technicians use state-of-the-art diagnostic equipment and techniques to thoroughly inspect each vehicle. They examine every aspect of the vehicle, from the tires and brakes to the lighting and emissions systems, to ensure that it meets the necessary state standards. The technicians also take the time

to provide customers with a detailed report of the inspection, including any necessary repairs that need to be made.

Precision Auto Sales & Service is committed to providing their customers with fast and reliable services, and state inspections are no exception. They have streamlined their inspection process to ensure that each vehicle is thoroughly inspected and any necessary repairs are made in a timely manner. This means that customers can get back on the road as soon as possible, without sacrificing quality or safety.

In addition to state inspections, Precision Auto Sales & Service offers a full range of services, including oil changes, tire rotations, and brake repairs. They also provide major repairs, such as engine and transmission replacements, as well as a full range of maintenance services. With their team of experienced technicians and state-of-the-art equipment, Precision Auto Sales & Service is dedicated to providing the highest level of customer service and quality workmanship.

Precision Auto Sales & Service is located at 7600 N. Church Road in Kansas City, MO, and is open Monday through Friday from 8:00am to 5:00pm, and closed on Saturdays and Sundays. They invite customers to visit their shop and experience their commitment to excellence for themselves. To schedule an appointment for a state inspection, customers can call (816) 591-6255, visit their website at www.precisionautosalesandservice.com or Facebook page at <https://www.facebook.com/PrecisionServiceKC>.
