Moorooka Dental Care, located in Brisbane, has announced the availability of a 24-hour emergency dentist to provide relief from dental emergencies. This facility is now open to the public and is expected to cater to the needs of the residents of Moorooka and surrounding communities.

Moorooka Dental Care - Emergency Dentist Brisbane offers a wide range of services including preventative care, cavities and fillings, dental emergencies, root canal treatments, crowns, veneers, wisdom teeth, extractions, implants, bridges, dentures and teeth whitening.

The mission of the clinic is to provide comfortable, affordable and pain-free dental services while prioritising patient education and quality treatment outcomes.

"We understand that a visit to the dentist can be nerve-racking and prone to fear, but at Moorooka Dental Care we will always prioritise the needs of our patients and treat them with the utmost kindness," says Dr. Zaheer Kadwa, the dentist at Moorooka Dental Care. "We strive to establish a pain-free atmosphere that will alleviate any fears that our patients may have."

The clinic offers easy and free parking outside the premises and also has a HICAPS facility that allows patients to immediately claim their rebate on-site. Moorooka Dental Care is also a preferred provider for Medibank, BUPA, HCF, NIB, and CBHS, which means that if a patient is a member of any of these health funds, they will have minimal or no out-of-pocket costs for any necessary treatments. The clinic also bulk bills all eligible children under the Child Dental Benefits Scheme (CDBS).

Looking towards the future, Dr. Kadwa states, "We are constantly working to improve our services and provide the best possible care to our patients. In the coming years, we plan on expanding our services and updating our equipment to offer a wider range of treatments and services."
