February 09, 2023 - PRESSADVANTAGE -

My Emergency Dentist, a premier dental practice located in South Perth, is proud to announce the availability of their emergency dental services in the local community. My Emergency Dentist is committed to providing the highest quality of care to patients who are experiencing dental emergencies and require urgent and efficient treatment.

According to Dr. Kent Tan, a dentist at My Emergency Dentist, "We understand that dental emergencies can happen at any time and can cause significant pain and discomfort. Our goal is to provide our patients with the necessary care as quickly and effectively as possible, which is why we offer flexible appointment scheduling and state-of-the-art facilities equipped with the latest technology and equipment."

My Emergency Dentist offers a wide range of emergency dental treatments, including tooth extractions, root canals, dental crowns and bridges, fillings, wisdom teeth removal, gum disease, teeth grinding, jaw pain, and emergency toothache relief. The team of highly skilled and experienced dentists, hygienists, and dental assistants are dedicated to providing the highest quality of care to their patients.

In addition to their emergency dental services, My Emergency Dentist also offers sedation dentistry for patients who experience dental anxiety or phobia. They accept most insurance plans and offer a variety of

payment options, including financing through CareCredit, to make dental care affordable for everyone.

At My Emergency Dentist - Emergency Dentist Perth, the patient-centered approach means that the team takes the time to listen to their patients' concerns and work together to create a personalised treatment plan that meets their specific needs. "We are committed to providing the highest quality of care to our patients in a friendly, welcoming, and professional environment," says Dr. Tan. "We want our patients to feel comfortable and confident in the care they receive from us."

If one is experiencing a dental emergency, they should not hesitate to contact My Emergency Dentist to schedule an appointment. The dedicated team is available to assist with dental needs and is committed to helping the individual get the care they need, when they need it.

"As we continue to grow and expand our services, our goal is to provide the local community with the best possible dental care and support," says Dr. Tan. "We look forward to serving the needs of our patients for years to come."
