Mooresville, North Carolina - April 26, 2023 - PRESSADVANTAGE -

I Drug Screen is helping companies procure the pre-employment drug and alcohol testing supplies they need for screening applicants and complying with state and federal laws. Readers can find out more about I Drug Screen's extensive product lineup by visiting <https://www.idrugscreen.com>.

I Drug Screen makes available hundreds of drug testing supplies for employers, collectors, urgent care centers, personal use, and medical professionals. The curated screening products come from reputable manufacturers and return accurate results. Apart from a range of drug and alcohol tests, I Drug Screen also provides lab services, medical supplies, and background check services for employers. I Drug Screen is the eCommerce division of the Nationwide Testing Association, one of the oldest and most reliable professional sources for FDA-cleared DOT (Department of Transport) and non-DOT drug test kits in the United States. Established in 1981, the NTA even provides its commercial clients with comprehensive Drug Free Workplace policies to fit their specific needs.

The spokesperson for I Drug Screen talks about the company's industry advantages by saying, "Our partnership with the NTA gives us access to the highest-quality drug tests from trusted manufacturers. We

also benefit from its decades-long experience with national and state laws governing drug testing. So, our expert staff can answer all your questions regarding drug and alcohol screening regardless of the industry you are in and the state you are located in. When you have determined the exact affordable test kits that you need from our large inventory, you can rely on them always being in stock and shipping quickly from our warehouse in Mooresville, NC. Being a small business ourselves, we also take pride in our customer service which understands the concerns of others like us who are trying to scale up operations while following local rules and regulations. The company stocks all types of drug and alcohol tests including breathalyzers, breath alcohol, controls, saliva alcohol, saliva/oral drug tests, urine cassettes, urine cups, and urine dip cards. I Drug Screen's products can test for a wide range of substances including amphetamines (AMP), barbiturates (BAR), buprenorphine (BUP), benzodiazepine (BZO), cocaine (COC), cotinine (COT), MDMA, methamphetamines (MET/MAMP), morphine (MOP), methadone (MTD), opiates (OPI), oxycodone, (OXY), PCP, propoxyphene (PX), tricyclic antidepressants (TCA), marijuana (THC), and alcohol. Some of the manufacturers it sources products from include popular names such as Alco-Screen, EZ Split Key Cup, iCassette, iCup, iScreen, Nationwide, T-Cube, and more.

I Drug Screen offers free shipping on select products over \$75 through FedEx, UPS, and USPS. Based on availability, it offers same-day shipping on orders received by 2 PM PST. For complete peace of mind, I Drug Screen also gives customers a 30-day money-back guarantee. Many of the products from I Drug Screen are also offered at deep discounts compared to the average price charged by its competitors. For example, on the website's featured products section, I Drug Screen makes available popular offerings at anywhere from 25 to 50% cheaper than other distributors.

The company's lab services include the DOT Drug Test, DOT Breath Alcohol Test, and non-DOT options such as the Standard 5 Panel Test with Expanded Opiates, Non-Regulated Breath Alcohol Test, Standard 7 Panel Lab Test, Standard 9 Panel Lab Test, and Standard 10 Panel Lab Test. Once a lab test has been ordered, the buyer just has to visit one of the over 14,000 collection sites that it manages nationwide to provide a sample and get back the results. Its inventory of medical supplies for employers conducting their own in-house tests includes gloves, bandages and dressings, diabetes supplies, and collection and phlebotomy supplies.
