The Washington DC lunch delivery service prides itself on using only fresh and locally sourced ingredients for its wide array of healthy lunch options that include salads, sandwiches, and wraps. Washington DC Boxed Lunches makes all its food from scratch using fresh ingredients and never uses any artificial preservatives or additives. The company?s menu also includes gluten-free and vegan options to meet the needs of health-conscious guests with discerning tastes.

The company allows customers to fully customize their orders to serve a wide gamut of dietary preferences, restrictions, and, most importantly, budgets. Customers can choose the type of sandwich, main dish, side

dish, and drink that they want and even have the packaging brandish their corporate logo for an impressive professional showing.

Apart from unmatched convenience, Washington DC Boxed Lunches also offers its customers a way to save money on catering when compared to other options such as ordering from a popular eatery or restaurant. Instead, at the same price or for much cheaper, Washington DC Boxed Lunches can provide nutritious meals that will please all kinds of busy professionals who are mindful of eating right. The costs can be further lowered by tailoring the orders to exactly match the group?s needs.
