

Established Idaho House Cleaning Services Provider Opens Subsidiary in Twin Falls

February 21, 2023

February 21, 2023 -
Cleaning by Love is a business that has been doing top-notch house cleaning services for those in the Bellevue, ID area for over 30 years now. In that time, it has established a reputation for doing quality residential and commercial cleaning work along with offering friendly customer service. Now the company is pleased to announce the opening of a new cleaning business in Twin Falls, Idaho. This subsidiary business is called Loves Cleaning Services. Linda Love, the company founder, says, ?We are so happy and thankful to have the loyal clientele in Bellevue that have been using our services for so many years now. Many of these clients have even referred us to friends and family in other nearby locations. This has established a demand for our services in other Idaho cities. The strongest demand of which was in Twin Falls, so we decided to open a related cleaning business there.?

Love went on to say that as with the highly successful Bellevue, ID business model, Loves Cleaning Services will be offering a variety of different commercial and residential cleaning services. The most requested of which is their general house cleaning service. A cleaning task that includes dusting, sweeping, mopping, vacuuming, polishing surfaces, washing dishes, making beds, and more. She mentioned that they will even do light floor cleaning as part of this service. For a small additional charge, Loves Cleaning Services will also

be offering deeper home cleaning tasks such as dusting all surfaces, shelves, baseboards, and windowsills plus vacuuming all floors, carpets, and upholstered furniture. Deep cleaning extras also include mopping all hard surface floors, cleaning all windows and mirrors, and emptying the trash. On the commercial side, their new Twin Falls location will also be providing high-quality office cleans that will make a business more appealing to employees and customers and create a healthier working environment too.

The company owner added that another similarity the new company will have with the parent Bellevue company is that customers can expect cleaning services that are reliable and consistent, affordably priced, and designed to suit each customer?s unique needs. It?s a company that takes pride in the fact that it uses tested and true cleaning techniques performed by fully screened, trained, and certified cleaning professionals. This new company will not only be offering office cleans and different levels of home cleaning services, but it will also be performing cleanings for renters, rental property owners, Airbnb rental properties, VRBO rental properties to go along with move-in move-out cleaning and pre-construction and post-construction cleaning.

Those that have used the parent company?s wide variety of cleaning services often leave very favorable reviews of that experience. Jennilynn Hawkins wrote, ?We love Cleaning by Love. We have used them for several years for our rental home and consistently get 5-star reviews for cleanliness from our renters. Linda has been very dependable and willing to go the extra mile for us. Thank you, Linda, from Joan, and Becky!? V.S.W.?s 5-star review proclaimed, ?Linda Love and her team have cleaned for us for 3 ½ years and we couldn't be happier with their services. After a brief meeting to discuss needs and agree on fees, it's been a seamless process for us. Her team helped us through a household move (with a gnarly move-out cleaning) and adjusted to significant schedule changes this last year. They are flexible, trustworthy, and an important part of the smooth operation of our household. Linda is a terrific referral source for jobs her team doesn't handle (window washing, handyman services, etc.) - having her recommendations saved us a ton of time finding resources to meet those needs. Knowing that when Linda and her team have finished, we return to a home that's fresh and inviting - every time ? is priceless!? Love says that those who would like more information on their new Twin Falls cleaning service or would like to schedule a cleaning consultation can get in touch with them by phone or website contact form.
