They are positively reviewed roofing contractor with an overall rating of 4.8 out of 5 stars on Google. In a recent review, Ron M. gave them five stars and said, "I had read some great reviews about McHenry Roofing, so I decided to hire them to replace my roof and do a gutters tune-up. The roofer called me in advance to let me know when he would be arriving, and he showed up on time. They discovered a variety of problems on my roof and gutters, showed me pictures of the before and after, and the quality looked fantastic. They were very detail-oriented, easy to work with, and made sure everything was properly sealed. I had a piece of siding that had been hanging off the side of my house for months, and they fixed it for me. Even though it wasn't part of the job description, the construction workers still took time to reattach our siding. This is the first time we felt like a contractor truly cared about us and our home. We would recommend McHenry Roofing again in a heartbeat."
