Fairfax, Virginia based MyProMovers Fairfax Movers is pleased to acknowledge that their customers have collectively shared high praise for the company in recent times. MyProMovers is a leading local and long distance mover, offering their services to both residential and commercial customers in and around Fairfax County, and Northern Virginia.

In a review highlighted by MyProMovers, Mary Heller writes, ?I had such a great experience with MyProMovers. I don't know why I didn't contract with them sooner; would have saved me hundreds of dollars in storage fees! I moved over a year ago to my parents to live there while my new home was being built. I put all of my belongings in storage in Northern Virginia and moved to the river in the Northern Neck of Virginia. The last thing I wanted to do was have to go up to that storage facility (sour taste in my mouth dealing with them from day 1), so I looked for a moving company that would be able to go to my storage unit unassisted, load up the truck, and drive down and deliver to me at my new place.?

The review continues, ?They were able to access my storage unit, and even though I could only ?guesstimate? the contents after a year, they were great at being flexible and accommodating. It was so

smooth dealing with everyone at the office. From Kendall who was my point of contact, to the owner, Daniel calling and clarifying things with me, to the moving crew, Paulo, Mike, Andres and Heron were just super professional, personable and efficient. Highly recommend it!?

Mary?s review is just one of many. The company?s excellent services have secured them almost 150 reviews, the majority of which are exceedingly positive. Sean Nyberg writes in his review, ?Great job by the team that came out from MyProMovers. I had some heavy items I was worried they'd have trouble with, but Caros and crew not only were able to move them, they ensured everything was protected. The crew was professional, efficient and courteous. Great value for the cost as well. I'd recommend MyProMovers to anyone looking to move.?
