Align Health Collective Physiotherapy in Oakleigh, VIC Celebrates 7 Years

February 17, 2023

February 17, 2023 -
Align Health Collective - Physio Oakleigh is proud to announce that it is celebrating 7 years of providing the highest quality physiotherapy services to the residents of Oakleigh and surrounding areas. The company was founded with a mission to provide athletes with exceptional physiotherapy services, helping them recover from injury, enhance athletic performance, and avoid future injuries.

"At Align Health Collective, our goal has always been to provide athletes with the best possible care and support," says Chalerm Tuantab, Senior Podiatrist and Managing Director of Align Health Collective. "We are proud of the impact we have made in the lives of so many athletes and are honored to continue this work for another year."

The clinic offers a wide range of innovative treatment techniques, including manual therapy, exercise therapy, and functional rehabilitation. The experienced and knowledgeable physiotherapists understand the specific demands of various sports, including football, and utilise this understanding to formulate customised treatment plans for each athlete.

In addition to sports physiotherapy, Align Health Collective also offers other services such as dry needling, clinical Pilates, posture improvement, injury prevention, acute injury management, rehabilitation, and performance optimisation. The clinic has four award-winning clinicians with over a combined 40+ years of experience in their field, ensuring the best possible care for their patients.

"At Align Health Collective, we genuinely care about our patients and their outcomes," says Tuantab. "Every treatment plan is specifically formulated around the individual, taking into account their past, injury, and goals. We believe in empowering our patients with education and advice on injury prevention and management, so they can avoid similar injuries in the future."

As Align Health Collective - Physio Oakleigh celebrates its 7th anniversary, the company is looking forward to continuing its mission to provide exceptional physiotherapy services to athletes in Oakleigh and beyond. With its commitment to patient care and its expertise in innovative treatment techniques, Align Health Collective is poised for continued success in the years to come.

"We are incredibly grateful for the support of our patients and our community," says Tuantab. "We look forward to continuing to serve our athletes and helping them reach their full potential for many years to come."
