February 17, 2023 -
Align HC Podiatrist Preston is proud to announce that they have been providing expert podiatry services for the people of Preston, Victoria for seven years now. The clinic has become a trusted name in the community for their evidence-based treatment, prevention, and rehabilitation for foot and lower limb pain. Their expert and award-winning physicians, combined with state-of-the-art technology, make them one of the leading podiatry services in Melbourne.

?Our team of expert podiatrists in Preston are here to help treat the whole body. If one is experiencing pain in feet and lower limb, whether it's muscular or bone-related, our specialists will provide an accurate diagnosis and evidence-based treatment, working towards prevention and rehabilitation,? said Chalerm Tuantab, Senior Podiatrist and Managing Director of Align HC Podiatrist Preston.

Align HC Podiatrist Preston has been dedicated to providing a professional and personalised approach to each client. Their team of registered and trained podiatrists regularly keeps up to date with the latest evidence and technology, ensuring that each client receives the most effective and efficient treatment.

Looking after feet is crucial, whether an athlete or have mobility issues. Align HC Podiatrist Preston understands that discomfort can affect happiness and mental well-being. That's why each client undergoes a

detailed assessment and receives a tailored solution, aligned with specific issues and fitness and lifestyle goals. The clinic believes in proper treatment and care of symptoms to improve the quality of life of their clients.

?We are honored to have served the community of Preston for the past seven years. We are committed to providing the best possible podiatry services to our clients and are constantly evolving to meet their needs. Our dedication to ongoing maintenance is what sets us apart from other clinics,? said Chalerm Tuantab.

Align HC Podiatrist Preston offers fully bulk billed Medicare consults and does not charge a gap fee. They encourage their clients to ask their doctor about an EPC Care Plan or feel free to give them a call and one of their friendly staff will be happy to help.

Their podiatry services in Preston Melbourne take everyday foot care seriously, adopting a professional approach to each client. When there are complications with feet, it can inhibit daily life, making it difficult to work, socialise, and relax. Align HC Podiatrist Preston ensures that their clients' feet are always in good hands.

Align HC Podiatrist Preston's ongoing maintenance program is designed to prevent further issues, which is why their specialists provide regular monitoring of their clients' feet for safe and effective care. With ongoing maintenance, clients can expect prevented foot problems, early identification and treatment of issues, more comfort and effortless movement in their feet, and meet individual needs for an active lifestyle.

?We are excited to continue our journey of providing expert podiatry services to the community of Preston for years to come. Our commitment to innovation, evidence-based treatment, and personalised approach will always be our top priority,? said Chalerm Tuantab.
