

Alexander Napolin Is Defending Those Searching Online for "Motorcycle Accident Lawyer Near Me Ontario"

March 08, 2023

Ontario, California - March 08, 2023 -
Motorcycle riders who have been hurt due to the negligence of other motorists on California roads can turn to Alexander Napolin for well-rounded and effective legal representation.

Motorcyclists typically face an uphill battle in lawsuits when it comes to establishing innocence due to the unfortunate disdain that general motorists seem to have for them. Branded as thrill seekers, courts and juries tend to not give motorcyclists the benefit of the doubt during the deliberation of the case. So, it can be a dangerous endeavor for most, even if they follow all the rules of the road.

Alexander Napolin talks about why motorcycle riders find navigating the legal system to be a challenge by saying, ?Whether it be a few bad apples or a negative stereotype of motorcycle riders in media or on the internet, I hear from a lot of my clients that many motorists don?t give them the respect reserved for other vehicle owners. This sad state of affairs is compounded by the fact that a motorcycle is inherently unsafe due

to the lack of protection it affords the rider. Motorcyclists are 26 times more likely to die in a crash and 5 times more likely to be injured. Some of the common reasons for motorcycle accidents include broken brake lights or headlamps reducing nighttime visibility, failure to give right of way, being obscured by other vehicles, road hazards like uneven pavement and potholes, left-turn collisions, DUI accidents, and more.?

The work injury lawyer Ontario motorcyclists have come to trust then talks about how he can turn the tide in their favor by saying, ?As a veteran personal injury lawyer specializing in auto accidents of all kinds, I have years of experience fighting the tricks to diminish my clients? claims. Insurance companies will throw every rule in the book at you and hope you back down. With me and my handpicked team of legal experts by your side, you will have the best in the business fighting for your rights, taking the fight to the party at fault, and exposing the truth for everyone to see.?

Alexander Napolin has represented hundreds of auto accident victims over his long and storied career and helped them get the justice they deserve. His law firm?s track record of success includes notable cases such as Sanchez v. Children?s Dental Group and Spencer v. Stephen Paddock; MGM Resorts. Moreover, his integrity is evident in his vow to never represent insurance companies. He is a 100% plaintiff-side lawyer who looks out for those going against the deep-pocketed legal apparatus of large corporations.

Considered by many to be the best work injury lawyer Ontario has to offer, Alexander Napolin?s law firm has received hundreds of reviews from clients who profusely thank him for giving their cases the time and attention needed for a successful settlement or verdict. His Inland Empire, Ontario, law office?s Google Business Profile has an admirable overall rating of 4.8 out of 5.0 from 80 reviews. The people he has represented say that they appreciated his humble and caring approach to their cases and felt like they could count on him to get results.
