February 21, 2023 -
Lake Elsinore, CA ? J&M Tree Service Lake Elsinore is proud to announce that it has been awarded accreditation from the Tree Care Industry Association (TCIA), becoming one of the first tree services in California to receive this prestigious certification. The accreditation recognizes the company's commitment to providing quality tree care services with safety as its top priority.

J&M Tree Service Lake Elsinore has been dedicated to providing high-quality tree care services for the past three decades. The company is experienced in many services, from tree removal and planting to pruning and stump grinding. It is also certified by the International Society of Arboriculture (ISA) and is a member of the California Arborists Association.

The accreditation from the Tree Care Industry Association is an added testament to J&M Tree Service Lake Elsinore's commitment to excellence. This certification recognizes that they have met the highest standards in safety and quality when providing professional tree care services.

By becoming accredited, J&M Tree Service Lake Elsinore has become one of California's leading tree care service providers. The company, however, has always taken pride in their emphasis on safety and boasts extensive knowledge and experience in handling a variety of trees, ensuring customer satisfaction every time. Information on how J&M Tree Service Lake Elsinore keeps its customers satisfied can be gleaned here: https://www.riversidetreecare.com/tree-service-lake-elsiNore.

Headquartered in Lake Elsinore, J&M Tree Service Lake Elsinore provides professional tree care services to residential and commercial clients throughout the greater Riverside County area. Founded by Lugi Ken more than 30 years ago, the company has become a leader in the local tree care industry.

The TCIA accreditation is a voluntary process through which tree care companies seek recognition for their

commitment to delivering excellence in arboriculture. To earn certification from the TCIA, companies must pass an extensive audit of their operations, including safety procedures and quality assurance practices. Companies must also demonstrate compliance with all applicable safety and environmental regulations and adherence to industry standards for tree care.

J&M Tree Service Lake Elsinore is one of only three tree service companies to receive TCIA accreditation in California this year.

"We are incredibly proud to have achieved this milestone," said Lugi Ken, CEO of J&M Tree Service Lake Elsinore. "It is a testament to our team's hard work and dedication to providing our customers with safe, reliable, and high-quality tree care services. We look forward to continuing to serve our community with excellence."

J&M Tree Service Lake Elsinore is proud to join the Tree Care Industry Association's (TCIA) Find A Pro directory. This will help local customers find quality and reliable tree care service providers in the area and provide a sense of security in their search for such services. Being part of this directory also means that J&M Tree Service has access to free insurance certificates that protect both the customer and the company from potential liabilities that could arise, as well as discounts on certain safety-related equipment such as personal protective gear. With these resources, J&M Tree Service Lake Elsinore can offer its customers an even higher quality and secure level of service.
