North Bethesda, Maryland - February 28, 2023 -
Rockville, Maryland based Treasure Moving Company is offering piano moving services to all customers in the area. During the company?s twenty years in the moving industry, Treasure Moving Company has excelled because of their reliable, skilled team, and their willingness to go the extra mile.

Fedor Kozlov, a representative for Treasure Moving Company, says, ?Pianos are expensive instruments, and on top of that, they can be dangerously heavy and incredibly fragile. This means that when you are considering a move, pianos are often a logistical nightmare. For that and a number of other reasons, you would be better off relying on a professional piano mover. Treasure Moving Company has gained our reputation as the best piano movers in Maryland for a reason, and if you are looking for a reliable and trusted company to perform this challenging task, we are happy to help you.?

As the company explains, moving a piano takes a lot of practice. It is a very involved task that is not as simple as renting a dolly and enlisting the help of some strong friends. In fact, according to the company, it is

a task that should not even be trusted with normal movers. Moving a piano requires that the piano be fully disassembled and carefully protected on all sides with several layers of moving blankets, cardboard boxes and plastic shrink wrap or tape to hold it all in. This means that whoever is hired to take care of this challenging task needs to have proper experience with moving a piano (as well as appropriate packing materials).

Treasure Moving Company?s team of piano movers is well versed with moving every type of piano, such as Yamaha, Kawai, Baldwin, Steinway & Sons, Pearl River, Bechstein, Mason & Hamlin, Wurlitzer, Chickerin and many more. Their team is also equipped to handle any size and shape of piano, such as grand pianos, upright pianos, spinets, full size uprights, and digital pianos.

Kozlov says, ?Moving is stressful, whether it?s moving a piano or moving your whole home, which is why you can trust us to take that burden off your shoulders. From the very first moment you come into contact with our team, you can expect to be treated as we would want to be treated if we were in your shoes. Our employees are courteous, friendly and always ready to assist you with your concerns. And when it comes to the actual move, all of our team members are experienced, well trained and professional in their work.?

Treasure Moving Company?s commitment to providing high quality moving services in Maryland has earned the company stellar praise from their clients. Eva E. says in her review, ?We recently used Treasure Moving Company for our move, and we couldn't be happier with the service they provided. The team was professional, efficient, and made sure everything was handled with care. They went out of their way to ensure that our move was a success, and we couldn't be more grateful. If you're looking for a reliable and trustworthy moving company, look no further than Treasure Moving Company.?

In another review, Amanda I. writes, ?We blended two homes into one new home, and the experience with Treasure Moving from start to finish could not have been less stressful. Securing the reservation was simple, and the repeated confirmations were fantastic. Carlos and his crew were nothing less than amazing during the entire move. They made sure there was no damage to our furniture and placed it exactly where we requested. Also, they utilized every square inch of the truck. I could not believe how much they were able to get in there. The whole crew was so great to work with! I would recommend Carlos' crew time and time again! Thank you!?
