

Grampstr's Pride To Attend St Petersburg Boat Show Between December 3-6

December 03, 2015

December 03, 2015 - PRESSADVANTAGE -

Grampstr's Pride, a boat cleaning products business in Elizabethtown, PA, is happy to announce that they will be in attendance at the St. Petersburg Boat Show, which takes place from December 3rd to 6th, 2015. The boat show is very popular among boating enthusiasts and attracts thousands of people each year. The company will showcase its cleaning products.

"We are so happy to have received an invitation to showcase at the St. Petersburg Boat Show," says Joe Chaudoin from Grampstr's Pride. "It is a great opportunity for us to demonstrate our products, but it is also going to be a lot of fun. As fervent boaters ourselves, we love nothing more than to be in the company of like-minded people."

In October, Grampstr's Pride visited the Kadey Kroger Cruisers Solomon Island Rendezvous. Grampstr's Pride cleaning products are now being used by many Kadey Kroger owners.

At the event, Grampstr's Pride will demonstrate their biodegradable and environmentally friendly cleaning products. Additionally, their boat cleaning products will be available with special deals just for those attending

the boat show. The company prides itself on its cleaning products, which are designed to create the most beautiful boats without doing any damage to the delicate ecosystem of oceans, seas and waterways.

The work done by Grampstr's Pride has been very well-received throughout the years of their operations. "Wow, I won a package of supplies at Sarasota boat show and they are wonderful," says Thelma Varner Garner. "The Renew fiberglass & stainless steel stain remover is fantastic. Took all the yellow stains off hull in about 2 minutes. Will reorder when I run out. Great products."

The company currently manufactures and sells six specific products. These are React, Renew, Refresh, Reflect, Reshine and Revive. React is an enzymatic holding tank treatment, Renew is a fiberglass and stainless steel stain remover, Refresh is a concentrated liquid laundry detergent designer for RV and marine clothes washers, Reflect is a boat soap, Reshine is a wash and wax, and Revive is a leather and vinyl cleaner and conditioner with a rich leather scent.

Those interested in the Grampstr's Pride products or the upcoming St. Petersburg Boat Show are encouraged to visit the About Grampstr's Pride page. From there, they can also be redirected to Amazon to make any purchases.
