Not only was she very knowledgeable about the insurance business, but she was also patient, easy to talk to and very friendly. I highly recommend Harris Insurance! And especially Natalie!?

Bill H. also says in another review, ?My current Homeowners insurance just jumped $10,000 after the first year with no claims. Checked into Harris Insurance and was greeted by Casey. Casey took my information and provided me an excellent quote with another company. She has been outstanding in advising what information is needed and using the info to get the discounts available. We are now looking into changing our Auto Insurance and using Harris Insurance and Casey to assist with that.?
