SAN RAMON, CA - February 21, 2023 -
ProTributeBands.com (PTB) is proud to announce its new show lead generation service for the best tribute bands in the business. This new service helps connect the "best of the best" tribute bands with corporate, festival and private talent buyers, and helps event planners and bookers quickly and easily find the absolute best tribute bands for their events.

With PTB's gig lead generation service, tribute bands receive their own customized and optimized page on the website and access to potential leads from buyers interested in booking tribute bands for their events. "Our goal is to help these talented musicians connect with buyers who are looking for the absolute best tribute bands for their events.
