Country Club Jewelers, a jewelry business in Fullerton, CA, has announced that they will be holding the Country Club Jewelers Holiday Party on December 5, 2015 between 11am and 7pm. Patrons are encouraged to visit the store at any point during those times, and they will be presented with refreshments and snacks, gifts and savings. Additionally, those who deposit the invitation card, which is available via the jeweler's website or by bringing a copy of this article, will be entered into a drawing for the opportunity to win either a 14k gold and diamond pendant or a gentlemen's watch.

"Our annual holiday party has been a great success in previous years and we look forward to running it again this year," says Joe Tokatli from Country Club Jewelers. "It is an opportunity for us to showcase the various pieces we have on offer, and also to connect on a more personal basis with our customers. You can expect a bit of a party atmosphere there."

Customers who are looking for a unique gift idea are particularly encouraged to attend the party. Country

Club Jewelers specializes in creating custom jewelry. They make it a point to listen to the needs of their customers and create a jewelry gift that is completely unique. A number of examples are available through www.CountryClubJewelers.com.

"I had seen a picture of a ring that I really liked in an antique magazine," says one happy customer. "There was no way I could afford that particular ring. However, I had a couple of old pieces with gemstones myself. I took the picture and the old jewelry pieces to Country Club Jewelers and they were able to create the most beautiful ring for me, based on that image and using the materials I provided. Best of all, they did this at a price I could afford. I'm so happy with the work they have done."

The store encourages people to look at some of the other Country Club Jewelers reviews, which are available through Yelp. The business is highly respected by its many customers, who intend to attend the Holiday Party as well. That day is already set to be a great success, just like in previous years.
