Hilton Head Island, SC - With the abundance of activities to try, 101 Things to Do Magazine has shared some must-try activities in Harbour Town, a unique waterfront community in Hilton Head.

Harbour Town features activities that can enthrall and captivate visitors of all interests. The small but accommodating area offers access to boating, golf, dining, shopping, tennis, and other recreational activities. One thing to experience in Harbour Town is playing golf. The waterfront community has a mesmerizing golf course. Harbour Town Golf Links is often regarded as one of the toughest in the United States due to the course's demanding accuracy and ball form.

In the distance, players can also see the distinctive lighthouse of Sea Pines Resort, making the challenging play worthwhile. For that reason alone, it is easily one of the best holes in golf, according to 101 Things To Do Magazine.

Another absolute must-see is Harbour Town Lighthouse. Since its completion in the 1960s, Harbor Town Lighthouse has become an iconic emblem of Hilton Head.

The Best Visitors Magazine in Hilton Head Island adds that the lighthouse is popular with sightseers thanks to its breathtaking vistas. The lighthouse also features a museum where visitors may learn about Hilton Head. It's a great way to learn about the island's history and culture while having a great time. The museum is also home to one of the unique gift stores on Hilton Island.
