Windy City Fence Company, based in West Belmont, Chicago, IL, is pleased to offer their expertise in residential and commercial fences to the greater Chicago area. The company specializes in creating custom-designed solutions that suit the design or topography of a customer?s property. With their team of experienced fence professionals, they are equipped to handle all types of projects, from temporary to long-term fence installations.

The company takes great pride in creating beautiful yet reliable solutions that enhance the aesthetics of a customer?s home, or a business?s exterior, while providing them with lasting security. The team makes it a point to utilize advanced materials that are designed to stand up against extreme weather conditions, from hurricane-force winds to heavy snowfall and more, which gives all of their customers the peace of mind that their fencing structure will remain intact year after year.

Windy City Fence Company understands how difficult it can be to find a fence solution that fits both the unique design and topography of a property, but their knowledgeable staff are here to make the process as easy as possible for everyone in their community. From hillsides and wooded areas to creeks that require extra care when designing a fence line, Windy City Fence Company has the experience and tools to handle it all.

Whether a customer needs a temporary or permanent solution, the team will go over all available options so that customers will always be able to make an informed choice regarding the right fit for their needs. A range of services are available for residential properties, including arbors and lattice, chain link fences, Chicago ornamental iron, composite material fence, dog kennels, iron, railings, mailboxes, vinyl fences, window guards, wood fences and wrought iron fences.

The company has over 25 years of collected experience in providing fence solutions to clients ranging from residential properties to commercial properties, including small businesses to large corporations, federal, state and local government agencies. The team are experts at designing and installing the perfect fence for any application. Whether a client needs a basic gate or an intricate system for their entire location, the company will provide a customized solution that caters to the customer?s specifications.

The team takes great pride in their considerable experience in creating innovative designs and implementing them with precision while also paying attention to aesthetics. They know how important it is to have a pleasing environment as well as a secure perimeter.

Their comprehensive services include installation, maintenance and repair. They only use high-quality materials, such as galvanized steel, PVC coated chain link fencing or aluminum fencing in every installation because they know that security and long-term value are key priorities for customers. The team also uses specialized tools (hydraulic press brakes, metal grinders and so on) for difficult projects that require custom designs or special attention to detail. The top-of-the-line equipment ensures that the team can complete any job quickly and accurately while maintaining the highest quality standards possible.

Windy City Fence Company is one of the leading fencing providers servicing the greater Chicago area. They specialize in both residential and commercial fencing and take pride in helping all of their customers find the perfect fence for their needs. The company is a family owned-and-operated business that has been serving the Chicago area since 2011, and they look forward to continuing to help homeowners and businesses alike get the best fencing for their property.

Customers can rest assured knowing that the installation is fully backed by a comprehensive warranty. For their peace of mind, the company offers an extensive warranty on labor for a full year. The duration of the materials' warranties will vary depending on which products the customer selects, which can range from 15 years (with vinyl coated chain link) up to lifetime coverage (with aluminum fencing).
