March 07, 2023 - PRESSADVANTAGE -

Mighty Dog Roofing, based in Boulder, CO, is pleased to announce that they have received several five star reviews. This roofing contractor offers different kinds of services, such as roof inspection, roof installation, roof repair, attic venting, gutter installation, and more. They want to point out that such positive feedback indicates that they are on the right track with their goal of providing the best possible customer service and clients can rest assured they will continue to do their best in serving the needs of their customers.

In a recent review, Denny P. gave them a five star rating and said, "I know the owner & know that he will assure everyone that he will guaranty a job that will be done correctly. Absolutely know about his integrity and dedication to excellence."

Mighty Dog Roofing in Boulder CO offers drone-assisted inspection that will take a look at 25 elements of the home's exterior. These include: inspection of storm damage caused by the wind; inspection of valleys; inspection of skylights; aircon unit exterior inspection; inspection of step and counter flashing; eaves and rakes inspection; attic inspection; hip and ridge inspection; roof edging inspection; ventilation inspection; inspection of roof sheathing or decking; soffits and fascia inspection; drip edge inspection; gutters inspection;

plumbing stack inspection; nail head inspection; inspection of furnace caps and pipes; window inspection; roof ventilation and exhaust system inspection; inspection of siding; downspouts inspection; inspection of gutter aprons; inspection of storm damage caused by hail; foundation drainage inspection; and chimney inspection.

Another distinctive feature of the services provided by Mighty Dog Roofing of Northern Colorado is the Customer Vault. This is a personal vault provided for each client where all relevant information to the customer's roofing and other exterior parts of the home are kept for easy access when needed. This personal storage for each client will contain the pictures, inspection reports, maintenance records, products used, warranties, etc. Whenever work needs to be done for the roof, gutters, and other exterior parts of the home, the Customer Vault is accessed for fast reference. The information contained will also be helpful for claims processing and when selling the home.

Every year, Mighty Dog Roofing can provide Watchdog Maintenance inspections and the information is stored in the Customer Vault. These yearly inspections ensure that developing problems can be nipped in the bud and ensure a long life for the roof. They will also compare the yearly inspection reports and take note if there are any trends indicated. This can be helpful in estimating the life of the roof and other exterior parts, allowing the homeowner to be prepared when the time comes to replace the roof.

They also provide a convenient software tool known as the Curb Appeal Visualizer, which enables the client to easily visualize how the home would look like after a project is completed. The client can try on various colors and/or roofing materials and use the tool to see how the home would look like when these are used. This tool allows the client to make the necessary selections and have peace of mind in knowing how the home would look like after the completion of the project and that the appearance and curb appeal are exactly what the client is looking for.

Furthermore, they also provide MDR EZ financing because they understand homeowners may need some help with the funding of a major roofing project. The client has a range of available choices with regards to financial services companies.

Mighty Dog Roofing of Northern Colorado is locally owned and operated by Michael Graham. All of their projects are handled by a team of experienced and certified professionals to provide an advanced, technologically-centric approach to roofing that includes innovative tools and drone-assisted inspections. With more than 20 years of experience, Mighty Dog Roofing offers homeowners and business owners with quality roofing services and more.
